This Certification of Permissibility contains three pages. This is page 1 of 3.

GAME DESCRIPTION

Monopoly Pusher Wonders of the World is 3 player station non competitive coin pusher game. The player insets a coin into a sliding entry slot located at the top the play-field. The entry slot moves side to side allowing the player to guide where the token will land when inserted. Once the proper coin is inserted, it enters the play-field where it will land on a moving ledge. The ledge moves forward and backwards which push's coins against each other to fall onto the lower surface. The moving ledge moves coins on the lower surface "pushing" coins toward the outer edge of the play-field. Coins pushed off the play-field convert into player winnings.
